

OUR HAMMAMS

Morocco, a genuine land of beauty and well-being, embraces a myriad of natural cosmetic recipes formulated from potent natural ingredients discovered within its abundant resources. It embodies an authentic way of life and is an integral part of Moroccan natural assets. The IZZA Hammam pays tribute to these time-honored traditions, enabling you to partake in a traditional hammam ritual that leverages the benefits of nature and the finesse of customary gestures.

OUR HAMMAMS

IZZA TRADITIONAL HAMMAM CEREMONIAL

60 MIN / 800 MAD

A ritual that draws on ancient practices, beginning with an oil bath or a strengthening hair mask. This is followed by an application of black soap with wormwood and seven plants to prepare the body for a gentle kessa glove exfoliation.

The ritual continues with shampoo application and a scalp massage. Subsequently, a body wrap accompanied by a coffee/ginger body massage takes place. Finally, a honey face mask reveals radiant skin.

WRAPS & ORIENTAL SCRUBS

30 MIN / 550 MAD

Tailored for sensitive skin, Oriental scrubs are a true combination of gentleness, blending local products with multiple virtues and a harmony of light movements that effectively eliminate dead cells. This luxurious treatment purifies the skin, restoring its suppleness and balance. The scrub is followed by a white clay and natural plant wrap.

This treatment helps you regain smooth, radiant, and delicately scented skin. A shampoo and scalp massage are also included in this ritual.
